#### MERCHANDISE

If you do not have our merchandise list, drop us a card and we will forward promptly. Thank you.

Under OPA Maximum Price Regulation No. 471, effective Sept. 29, 1943, ceiling prices have been established on the seeds listed below. Following are the **MAXIMUM MARGINS** a retailer can add to the **WHOLESALE CEILING PRICES**:

Red Clover Seed—\$3.85 per 100 lbs.  
Mammoth Red Clover—\$3.85 per 100 lbs.  
Alsike Clover—\$3.85 per 100 lbs.  
Alfalfa Seed—  
Northern and Central Origin—\$4.50 per 100 lbs.  
Alfalfa Seed—  
Southern Origin—\$5.00 per 100 lbs.  
Sweet Clover Seed—\$3.00 per 100 lbs.  
Timothy Seed—\$2.20 per 100 lbs.

Above margins apply to sales of 60 lbs. or more. When sales are made in quantities of less than 60 lbs., an addition 1½c per lb. can be added, plus the actual value of the bag used. Freight charges from point of shipment to your warehouse or store can also be added to above margins.

Remember, this regulation establishes ceilings only—the maximum margins a retailer can add to the wholesale ceiling prices. You are permitted to buy or sell at any price below the ceiling.

**CAUTION**—Exact producer ceiling prices are also established on all sales of the above seeds by growers and farmers, and no buyer can exceed these producer ceiling prices.

We suggest you see your local OPA office for additional information.
